

SCHOOLS + GROUPS KIT

Turn Local Service Into Skills, Leadership and Opportunity.

LINK connects students, schools, teams, clubs and youth groups with verified local nonprofits and community needs aligned with interests, values and skills.

Connected Pathway

- Find a Match - discover verified nonprofits and service opportunities.
- Track Service - build verified records of activities, dates and hours.
- Earn Recognition - badges, milestones, certificates and approved community recognition.
- Share Impact - submit approved photos, service stories, drives, events and fundraisers.

Challenge Ideas

- Softball vs. baseball service-hours challenge.
- Each team selects one local nonprofit for the season.
- Quarter wars at games, classes or grade levels.
- Club, neighborhood and outside-sports collection drives.
- School-wide impact milestones with privacy-safe leaderboards.

Need Ideas?

LINK can suggest local, age-appropriate projects connected to group size, timing, interests and community needs. Public recognition never exposes private student information.

Badge Ideas

Local Connector | Service Starter | Hours Hero | Community Ambassador | Team Impact | Community Leader

Media + Event Submissions

Schools, teams and clubs can submit approved photos, flyers, service performed, benefiting organization and location. Fundraisers can be routed to Admin review for the public Events page.
